Appellee.

MOTION TO CONTINUE

Pursuant to 46 CSR §4-6.2, Appellant Maxxim Manufacturing, LLC (“Maxxim”) requests a continuance of March 13, 2025 hearing in the above-reference appeal. As good cause for the continuance, Maxxim states that the parties are currently close to finalizing a settlement of the appeal, which would obviate the need for an evidentiary hearing. Accordingly, in the interest of preserving both Parties’ resources and promoting judicial economy, Maxxim requests that this matter be continued to the Board’s next available docket.

WVDEP does not object to this request.
