

NOTES - WATER RESOURCES BOARD MEETING - OCTOBER 27, 1980

Board members present: Mr. John C. Ailes, Chairman, Dr. Donald Brannon, Mr. William Plass and Mr. Forrest Kirkpatrick. Absent board member: Mr. Larry George.

Also present were: Mrs. Karen Watson, Assistant Attorney General and Mr. John Hall, Deputy Chief - Technical Services - Division of Water Resources.

Review and discussion - changes, deletions, etc. was made of the NPDES Section 125 - from the Federal Register dated May 19, 1980 and with the June 7, 1979 register also.

A meeting to be set up on November 24, 1980 with the State Health Department - Dr. Pickett, DNR Director Dave Callaghan and Reclamation - Pete Pitsenbarger re: NPDES regulations - the board being the regulatory authority.

November 10th meeting to begin with Dave Robinson and members of his staff present along with John Hall and Karen Watson (board advisors) to discuss what the board has already done on the NPDES regulations and to get the division's feelings on them (Karen to talk to division before this meeting).
