

July 25, 1983

Board Meeting - 1260 Greenbrier Street - all board members present.

By proper motion and vote the following action was taken:

After careful review of all comments/suggestions and the rationale document prepared by Dr. Paul L. Hill, the Board's Technical Advisor the board adopted the Groundwater Protection Standards. They are to be filed accordinging with the Legislative Rule Making Review Committee and with the Secretary of State as soon as possible.

Again worked on the document to be presented as a proposal for comment on WQS, NPDES and Special Regulations.
